IN ADDITION:

AUDIO DIGITAL FILES/SHOW DEMO

You will need to provide two .mp3 sound files or a mobile phone voice audio file for us to listen to.

We need to get a sense of your personal style. Please record a demo section of your show (up to 5 minutes, with minimal music included) of what you intend to present.

If you need some assistance, please contact station. We should be able to assist you with general questions and with regard to audio production.
